[Death Sentence] - Art by Kazuhiro Sasaki + Written by Goichi Suda

THAT'S ALL?
COME ON, THAT'S SO CHEAP!

It's the best I can do, these guys were just small fries
If they'd committed some crazier crime, then I could've made it worth your while
...I still need to pay my tuition for this term
"Quantity over quality"
Is that what you're saying?
Exactly!
I hope I'll make it in time

The dawn of a miraculous new collaboration!
The tale of a clean-up crew who operates under cover of darkness...!!
奇跡の合作誕生！始末屋稼業は闇に生きる…‼
